Responsible Department/Division/Committee:

Graduate Medical Education Committee

Purpose:

To establish a Resident and Fellow Forum

To ensure availability of a platform which encourages residents/fellows from within and across the Sponsoring Institution's ACGME accredited programs to communicate and exchange information with each other relevant to their ACGME accredit programs and their learning and working environments.

To provide resident/fellow the opportunity to raise a concern to the forum

To provide residents/fellows the ability to present concerns that arise from discussion at the forum to the DIO/ADIO and GMEC.

APPLICABLE ACGME AND REGULATORY REQUIREMENTS

ACGME Institutional Requirements – II.C

PROCESS:

1. Meeting Frequency:
 - a. The Resident Forum is a quarterly meeting for all residents/fellow in all programs sponsored by Stony Brook Medicine
 - b. Program Directors and Program Coordinators will be informed about the meetings so residents/fellows may be released from other responsibilities to attend

2. Resident selection and attendance:
 - a. The resident and fellow forum will be open to all residents/fellows
3. Committee Chair or Co-Chair:
 - a. The peer selected GMEC resident/fellow representatives will co-chair the forum. They will facilitate the discussion and compile the questions and concerns.
 - b. The co-chairs will present the issues in an anonymous manner via email to the DIO/ADIO. Concerns can also be presented to the GMEC.
4. Purpose:
 - a. Provides an open group discussion which allows residents and fellows to communicate and exchange information on their education and work environments, their programs, and other relevant issues they may face during training.
 - b. Promote the well-being, interest, and education of the GME residents
 - c. Strives to keep all residents and fellows informed about important issues that impact their professional career
 - d. Provide an organized voice to raise and resolve concerns for residents
 - e. Topics discussed during the forum may warrant further discussion or presentation to the GMEC committee.
