## Education

---

Major in physics. Moscow State University, Moscow, Russia. 1995 – 1997.

B.S. degrees in psychology and physics. The Ohio State University. 1998 – 2000.

M.A. in clinical psychology. University of Iowa. 2003.

Ph.D. in clinical psychology. University of Iowa. 2006.

Dissertation Title: *Extension of the Hierarchical Model of Anxiety and Depression to the Personality Domain*

Major Advisor: David Watson, Ph.D.

Psychology Internship. Brown University. July 2005 – June 2006.

Licensed Psychologist, New York (# 018699). 2010 - present.

## Appointments

---

Research Scientist. Department of Psychiatry. State University of New York at Stony Brook. 2006 – 2011.

Research Assistant Professor. Department of Psychiatry. State University of New York at Stony Brook. 2006 – 2011.

Adjunct Assistant Professor. Department of Psychology. State University of New York at Stony Brook. 2007 – present.

Assistant Professor. Department of Psychiatry. State University of New York at Stony Brook. 2011 – present.

## Honors and Awards

---

Selected among 100 top Ohio State University students for 1999 President's Salute to Undergraduate Academic Achievement (1999).

First place award at Denman Undergraduate Research Forum, Ohio State University. Poster entitled: *Taxometric Analysis of the Latent Structure of Anxiety: Does Pathological Anxiety Exist?* (2000).

Graduated Summa Cum Laude and with honors in psychology. Ohio State University (2000).

Phi Beta Kappa (2000).

Second place award at the James F. Jakobsen Graduate Forum, University of Iowa. Talk entitled: *Assessment of Mental Health in Russia* (2003).

Spence Award recipient (annual award to the outstanding graduate student in the Department of Psychology), University of Iowa (2006).

Mentor of URECA Researcher of the Month, Lynne Lieberman, Stony Brook University (7/2010).

## Research Support

---

1. NARSAD. *Testing Neural Markers for Schizophrenia and Psychotic Mood Disorder: A Family Study*. 1/1/2014 – 12/31/2015. Mentor (PI: Perlman). \$60,000.
2. National Institute for Occupational Safety and Health. *Mind Body Treatment for WTC Responders with Comorbid PTSD and Respiratory Illness* (U01OH010524). 7/1/2013 – 6/30/2016. Co-Investigator (PI: Gonzalez). 5% of effort. \$1,518,533.
3. National Institutes of Health. *Personality Development and Vulnerability to First-Episode Depression – fMRI Supplement* (R01MH093479-02S1). 05/22/2013 – 01/31/2017. Principal Investigator. 0% of effort. \$328,498.
4. National Institutes of Health. *Temperamental emotionality in preschoolers and depression risk – Hurricane Sandy Supplement* (R01MH069942-08S2). 12/1/2012 – 4/30/2014. Co-Investigator (PI: Klein). 0% of effort. \$116,106.
5. National Institute for Occupational Safety and Health. *Epigenetic Linkage Between PTSD and Respiratory Disease in WTC Responders* (U01OH010416). 9/1/2012 – 8/31/2014. Co-Investigator (PI: Luft). 2% of effort. \$999,517.

6. National Institutes of Health. *Trajectories of Reward Sensitivity and Depression across Adolescence* (R01MH097767). 8/1/2012 – 5/31/2017. Co-Investigator (PI: Hajcak). 5% of effort. \$1,958,963.
7. National Institutes of Health. *Trajectories of Recovery in Psychosis Over Two Decades – fMRI Supplement* (R01MH094398-02S1). 7/1/2012 – 3/31/2013. Principal Investigator. 0% of effort. \$255,901.
8. National Institutes of Health. *Personality Development and Vulnerability to First-Episode Depression* (R01MH093479). 02/17/2012 – 01/31/2017. Principal Investigator. 27% of effort. \$2,777,520.
9. National Institute for Occupational Safety and Health. *Enhanced Smoking Cessation Intervention for World Trade Center Responders* (200-2011-42057). 9/30/2011 – 9/29/2014. Multiple Principal Investigator (Other MPI: Bromet and Luft). 10% of effort. \$1,498,693.
10. National Institute for Occupational Safety and Health. *Burden of Mental-Physical Comorbidity in World Trade Center Responders* (200-2011-39410). 7/1/2011 – 6/30/2014. Multiple Principal Investigator (Other MPI: Bromet and Luft). 21% of effort. \$1,494,405.
11. National Institutes of Health. *Trajectories of Recovery in Psychosis Over Two Decades* (R01MH094398). 6/7/2011 – 3/31/2014. Principal Investigator. 27% of effort. \$1,966,627.
12. NARSAD. *Molecular Basis of Schizotypy: New Targets for Research on Genetics of Psychosis*. 1/1/2010 – 12/31/2011 (in carryover). Principal Investigator. 12.5% of effort. \$60,000.
13. Feldstein Medical Foundation. *New Classification of Bipolar, Depressive, and Anxiety Disorders*. 6/1/2009 – 5/31/2011. Principal Investigator. 15% of effort in Year 1; 20% of effort in Year 2. \$130,000.
14. Stony Brook University Seed Grants for Survey Research. *Psychophysiology of Mood and Personality*. 7/1/2008 – 6/30/2009. Principal Investigator. \$10,000.
15. National Institutes of Health (administered by Stony Brook University). *New Clinical Targets in Psychosis* (K30). 7/1/2007 – 6/30/2009. Principal Investigator. 75% of effort. \$200,000.
16. University of Minnesota Press. *Adaptation of Schedule for Nonadaptive and Adaptive Personality (SNAP) to Russian*. 2001 – 2008. Principal Investigator. Co-investigator: Lee Anna Clark. \$14,110.

17. University of Iowa, Social Sciences Dissertation Year Fellowship. *The role of personality in anxiety and mood disorders*. 2004 – 2005. Principal Investigator. \$20,089.
18. University of Minnesota Press. *Examining utility of the Schedule for Nonadaptive and Adaptive Personality (SNAP) for predicting symptoms of anxiety and depression*. 2003 – 2005. Principal Investigator. Co-investigators: David Watson and Lee Anna Clark. \$7,457.
19. University of Iowa, Center for International Rural and Environmental Health, Graduate International Research Fellowship in Global Health. *Investigation of relationship between environmental stress and mental illness in Russia*. 2001-2003. Principal Investigator. Co-investigator: Lee Anna Clark. \$5000.
20. Ohio State University, Colleges of the Arts and Sciences Honors Program, Undergraduate Research Scholarship. *Cross-cultural investigation of scientific misconceptions*. 1999 – 2000. Principal Investigator. Co-investigator: Gerald Winer. \$1000.

20. **Kotov, R.**, Klein, D., Perlman, G., Hajcak, G., & Broderick, J. (2013). *Adolescent Development of Emotions and Personality Traits: The ADEPT project*. Psychiatry Grand Rounds at Stony Brook University, Stony Brook, NY.

21. **Kotov, R.** (2013). *Boundary problems in case definition*. Chair and discussant, invited symposium at the 104<sup>th</sup> annual meeting of American Psychopathological Association, New York, NY.
22. **Kotov, R.** (2013). *Development of personality and depression in adolescence*. Betty Simon Memorial Lecture at Department of Psychiatry, University of Iowa, Iowa City, IA.
23. **Kotov, R.** (2013). *A primer to structural equation modeling*. World Trade Center Health Registry, New York, NY.
24. Gonzalez, A., **Kotov, R.**, Luft, B.J., & Bromet, E. (2013). *Impact of hurricane Sandy and associations with 9/11-related PTSD among WTC responders*. A talk presented at the 141<sup>st</sup> American Public Health Association annual meeting, Boston, MA.
25. **Kotov, R.** (2014). *Quantitative psychiatric classification: Clinical and neural approaches*. Integrative Neuroscience Seminar at Stony Brook University, Stony Brook, NY.

## Poster presentations

---

1. **Kotov, R.**, & Schmidt, N. (2000). *Exploring the underlying nature of anxiety sensitivity: A taxometric investigation*. Presented at 34<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy. Also presented at Brain and Behavior conference at the University of Iowa.
2. **Kotov, R.**, & Schmidt, N. (2001). *Taxometric analysis of the latent structure of anxiety: Does pathological anxiety exist?* Presented at 35<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy.
3. **Kotov, R.**, & Schmidt, N. (2002). *Refining and validating anxiety sensitivity taxon*. Presented at 36<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy.
4. **Kotov, R.**, & Watson, D. (2002). *Comorbidity of schizotypy and dissociation taxa*. Presented at 17<sup>th</sup> Annual Meeting of the Society for Research in Psychopathology. Also presented at 36<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy.
5. **Kotov, R.**, ‡Aumer-Ryan, K., & Clark, L. A. (2003). *Categories or continua: Taxometric analysis of personality disorders*. Presented at 37<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy.

6. Weller, J., **Kotov, R.**, & Bellman, S. B. (2003). *The relationship between suggestibility and decision making*. Presented at 17<sup>th</sup> Annual Meeting of the Society for Judgment and Decision Making.
7. Bellman, S. B., **Kotov, R.**, & Watson, D. (2004). *The suggestibility inventory: Construction and validation*. Presented at 5<sup>th</sup> Annual Meeting of the Society for Personality and Social Psychology.
8. Gamez, W., **Kotov, R.**, ‡MacDonald, M., ‡Johnston, A., ‡Benoit, R., & Watson, D. (2004). *Interview for Mood and Anxiety Symptoms (IMAS): Development of a measure to investigate the comorbidity and structure of the mood and anxiety Disorders*. Presented at 38<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy.
9. **Kotov, R.**, Gamez, W., ‡MacDonald, M., ‡Meyer, V., ‡Huse, J., & Watson, D. (2004). *Personality and symptoms of anxiety and depression: A new approach to the problem of comorbidity*. Presented at 38<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy.
10. **Kotov, R.**, ‡Johnston, A., ‡Benoit, R., ‡Huse, J., & ‡Meyer, V. (2004). *Integrating clinical measures of vulnerability to anxiety and depression with personality literature: Challenges to construct validity*. Presented at 38<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy.
11. Moran, T. E., **Kotov, R.**, Bellman, B., Franklin, C., Watson, D., & O'Hara, M. (2004). *Is hypnotic susceptibility related to suggestibility: Validation of a suggestibility scale?* Presented at 38<sup>th</sup> Annual Conference of the Association for Advancement of Behavior Therapy.
12. **Kotov, R.**, Gamez, W., ‡Benson, S., ‡Wolen, A., ‡Luchman, J. & ‡Boldebuck, L. (2005). *Personality and Symptoms of Anxiety and Depression: A Prospective Study*. Presented at 39<sup>th</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies.
13. **Kotov, R.**, ‡Tung, L., Bromet, E., & Schwartz, J. E. (2007). *Associated course of smoking and psychiatric symptoms during the four years following first admission for psychosis*. Presented at 97<sup>th</sup> Annual American Psychopathological Association Meeting and 21<sup>st</sup> Annual Meeting of Society for Research in Psychopathology.
14. ‡Chang, S., **Kotov, R.**, & Bromet, E. (2008). *Empirical taxonomy in inpatient population: New dimensions*. Presented at 98<sup>th</sup> Annual Meeting of American Psychopathological Association.
15. ‡Khalfan, Z., **Kotov, R.**, Gamez, W., & Watson, D. (2008). *Investigating the structure of the mood and anxiety disorders through scale construction*. Presented at

22<sup>nd</sup> Annual Meeting of Society for Research in Psychopathology and 99<sup>th</sup> Annual Meeting of American Psychopathological Association.

16. ‡Foti, D., **Kotov, R.**, Bromet, E.J., & Hajcak, G. (2010). *Psychotic illness and abnormal error monitoring: Beyond schizophrenia*. Presented at 50<sup>th</sup> Annual Conference of the Society for Psychophysiological Research.
17. **Kotov, R.**, ‡Lieberman, L., Gamez, W., & Watson, D. (2010). *Dimensional Classification of Mood and Anxiety Disorders*. Presented at 24<sup>th</sup> Annual Meeting of Society for Research in Psychopathology.
18. **Kotov, R.**, ‡Leong, S., Ruggero, C., & Bromet, E. (2010). *Kraepelinian Dichotomy between Schizophrenia and Mood Disorders: Implications for Molecular Genetics*. Presented at 44<sup>th</sup> Annual Conference of the Association for Behavioral and Cognitive Therapies.
19. ‡Lieberman, L., ‡Glenn, G., **Kotov, R.**, & Hajcak, G. (2010). *Affective Startle Modulation in Bipolar and Unipolar Depression*. Presented at the 2010 Undergraduate Conference for Research and Creative Activities, Stony Brook University.
20. ‡Sandler, J., **Kotov, R.**, & Bromet, E. (2011). *Predictors of Trajectories of Illness Course Over Ten Years in Schizophrenia*. Presented at 101<sup>st</sup> Annual Meeting of American Psychopathological Association.
21. ‡Allen, P., ‡Holzmacher, D., **Kotov, R.**, ‡Xiao, H., ‡Rogers, R., & Bromet, E. (2012). *Dimensions of psychosis: Validation of an empirical structure*. Presented at 102<sup>nd</sup> Annual Meeting of American Psychopathological Association.
22. ‡Rodriguez, I., ‡Holzmacher, D., ‡Allen, P., ‡Stumper, A., ‡Rogers, R., **Kotov, R.**, & Bromet, E. (2013). *Trajectory of cognitive functioning in psychosis: A 20 year follow-up study*. Presented at 103<sup>rd</sup> Annual Meeting of American Psychopathological Association.
23. Gonzalez, A., **Kotov, R.**, Bromet, E., Zvolensky, M. J., & Luft, B. (2013). *Treatment of co-morbid cigarette smoking and PTSD among responders to the World Trade Center attacks*. Poster accepted for presentation at the 34<sup>th</sup> annual meeting for the Society of Behavioral Medicine, San Francisco, CA.
24. Gonzalez, A., **Kotov, R.**, Luft, B., Wilkenfeld, M., & Bromet, E. (2013). *Impact of Hurricane Sandy and associations with 9/11-related PTSD among WTC responders. In, Mitigating the Impact of National Trauma on Mental Health: Policy and Practice Perspectives*. Paper presented at the 141st annual meeting and expo of the American Public Health Association, Boston, MA.

25. Hale-Rude, E. M., Hajcak, G., Perlman, G., & **Kotov, R.** (2013). *Anxiety and error-related brain activity in female adolescents*. Presented at 53<sup>rd</sup> Annual Conference of the Society for Psychophysiological Research.
26. Perlman, G., Hale-Rude, E.M., Hajcak, G.H., **Kotov, R.** (2013). *The error-related negativity and trait anxiety in adolescent girls*. Presented at 27<sup>th</sup> Annual Meeting of Society for Research in Psychopathology.
27. Gonzalez, A., Guffanti, G., Ratanatharathorn, A, **Kotov, R.**, Bromet, E., Koenen, K., Galea, S., & Luft, B. (2014). *Epigenetic findings for PTSD and lower respiratory symptoms in male WTC responders*. Presented at 104<sup>th</sup> Annual Meeting of American Psychopathological Association.

## Other Research Experience

---

Completed K30 Clinical Research Training Program. Stony Brook University. A year-long series of seminars in research methods, data analysis, and grant writing. 2006–2007.

Research placement with Tracie Shea. Brown University. Clinical editing and statistical analyses of data from the Collaborative Longitudinal Personality Disorders Study (CLPS). 2005 – 2006.

Research Assistant with David Watson. Supported by NIH Grant R01MH068472. Developing a new measure of depression. 2003 - 2004.

Research Assistant with Lee Anna Clark. Supported by the University of Iowa. Validation of the Schedule for Nonadaptive and Adaptive Personality (SNAP). 2002 – 2003.

## Teaching Experience

---

Co-Instructor. Department of Psychology, Stony Brook University. *PSY 596 Psychopathology II* (spring 2014). Co-taught this graduate course with psychology faculty. Participated in all aspects of the course.

Guest Lecturer. Department of Psychiatry, Stony Brook University. *Current Topics in Child and Adolescent Psychopathology* (spring 2013). Co-teach with several faculty members. *Responsibilities*: Present lectures on longitudinal studies of child and adolescent psychopathology to psychiatry fellows, lead class discussions.

Co-Instructor. Department of Medicine, Stony Brook University. *MCS-2 course elective: 9/11: An Anatomy of a Healthcare Disaster* (fall 2011 - present). Contribute to course organized by Benjamin Luft.

*Responsibilities:* Present lectures on mental health effects of the WTC disaster, lead class discussions.

Co-Instructor. Department of Psychiatry, Stony Brook University. *Research Experience for Psychiatry Residents* (fall 2010 - present). Co-teach with several faculty members. *Responsibilities:* Directly supervise research projects of residents from conception to completion of a report.

Instructor. Department of Psychology, Stony Brook University. *PSY 698 Research for Masters Students* (summer, 2010 - present). Directly supervise research activities of 3 psychology masters students in my lab; supervised 7 students in previous years.

Instructor. Department of Psychology, Stony Brook University. *PSY 273 Supervised Research in Psychology* (fall, 2006 - present). Directly supervise research activities of 24 students in my lab; supervised over 70 undergraduate over 5 years.

Supervisor. Department of Psychiatry, Stony Brook University. *Research placement for graduate students in Applied Mathematics and Statistics* (fall 2006 - present). Directly supervised training in analysis of research data of 8 statistics graduate students; each 10 – 20 hours a week, one to six semesters.

Co-Instructor. Department of Psychiatry, Stony Brook University. *Weekly Journal Club for Psychiatry Residents* (fall 2006 - present). Co-teach with several faculty members. *Responsibilities:* help residents prepare presentations, participate in discussion of articles, explain research concepts and methods.

Instructor. Department of Psychiatry, Stony Brook University. *Personality Seminar for 3<sup>rd</sup> Year Psychiatry Residents* (spring 2011). Taught modern personality theory, supervised residents in preparing a presentation to the department on utility of personality models for psychiatric care.

Co-Instructor. Department of Psychology, Stony Brook University. *PSY 535 Advanced Research Methods* (spring 2008 & 2009). Co-taught this graduate course with a psychology faculty member. Participated in all aspects of the course.

Co-Instructor. Department of Psychiatry, Stony Brook University. *Methods Seminar for 3<sup>rd</sup> Year Psychiatry Residents* (spring, 2008). Co-taught with Evelyn Bromet. Participated in all aspects of the course.

Instructor, Department of Psychology, University of Iowa. *031:013 Introduction to Clinical Psychology* (summer, 2001 & 2002). Co-taught with another graduate student. *Responsibilities:* preparing syllabus and lectures, lecturing, and grading

Teaching Assistant, Department of Psychology, University of Iowa. *031:163 Abnormal Psychology* (spring, 2002). Professor: Dr. Donald Fowles. *Responsibilities:* writing exams and grading

Teaching Assistant, Department of Psychology, University of Iowa. *031:043 Evaluating Psychological Research* (fall, 2001). Professor: Dr. Eva Klohnen.

Responsibilities: leading discussion sections and grading

Teaching Assistant, Department of Psychology, University of Iowa. *031:001 Elementary Psychology* (spring, 2001). Professor: Dr. David Watson.

Responsibilities: leading discussion sections and grading

Teaching Assistant, Department of Psychology, University of Iowa. *031:103 Social and Personality Development* (fall, 2000). Instructor: David Forman.

Responsibilities: grading and review sessions

Teaching Assistant, Department of Physics, Ohio State University. *Physics 131, 132 & H132 (labs): Introductory physics for physics and engineering students* (spring, 1999).

Coordinator: Roger Kylin.

Responsibilities: supervision of students' work in labs, brief lectures, grading quizzes

## Curricula Developed

---

Personality Seminar for 3<sup>rd</sup> Year Psychiatry Residents. Spring 2011.

Psychiatry residents research education curriculum. 2010. Co-developed with other psychiatry department faculty.

PSY 535 Advanced Research Methods. Spring 2008 & 2009. Co-developed with a psychology faculty member.

Methods Seminar for 3<sup>rd</sup> Year Psychiatry Residents. Spring 2008. Co-developed with Evelyn Bromet.

## Clinical Experience

---

Licensed Psychologist, New York (# 018699). 2010 - present.

Psychology internship. Brown University. Department of Psychiatry.

*Dialectical Behavior Therapy partial hospitalization program*: Performed intake evaluations, led skills training groups, collaborated with a multidisciplinary treatment team, conducted individual inpatient and outpatient psychotherapy.

*Outpatient substance abuse treatment program*: Performed intake evaluations, lead process and skills groups, collaborated with a multidisciplinary treatment team, and conducted individual psychotherapy.

*Inpatient neuropsychology consultation service:* Performed chart reviews, interviews, psychological and neuropsychological testing with adults and children, interpreted test results and wrote reports.

Supervisor: Tracie Shea, Ph.D. 7/2005 – 6/2006.

Therapy practicum. Carl E. Seashore Psychology Clinic, Department of Psychology, University of Iowa. Individual outpatient psychotherapy. Supervision from several psychology faculty members. 8/2002 – 6/2005.

Therapy practicum. Adult Psychiatry Clinic, University of Iowa Hospitals and Clinics. Co-lead CBT-based process groups in a partial hospitalization program, participated in multidisciplinary team meetings, conducted individual outpatient psychotherapy.

Supervisor: Scott Temple, Ph.D. 11/2003 – 9/2004.

Assessment practicum. Iowa City Veteran Affairs Medical Center. Neuropsychological assessment of psychiatric patients. Supervisor: Neils Varney, Ph.D. 8/2003 – 11/2003.

Therapy practicum. University Counseling Service, University of Iowa. Individual outpatient psychotherapy, intake evaluations, and development of a community outreach program. Supervisor: Kathleen Staley, Ph.D. 1/2003 – 5/2003.

Assessment practicum. Carl E. Seashore Psychology Clinic, Department of Psychology, University of Iowa. Evaluation of personality, intellectual, and cognitive functioning of individual clients and families presenting with mental retardation, parenting, and cognitive concerns, as well as court-ordered evaluations. Supervision from several psychology faculty members. 5/2001 – 7/2002.

## **Administrative Responsibilities**

---

Responsible for administrative operations of the Division of Psychiatric Epidemiology. In this capacity:

- Oversaw selection and hiring of 24 professional staff members
- Recruited 8 graduate and 38 undergraduate student assistants
- Organized construction of EEG research facility in Putnam Hall
- Develop budgets, monitor expenditures, supervise all purchasing of supplies and equipment of 6 federal awards (all RO1 or equivalent)
- Supervise: 17 professional staff and 32 students

## **Other Professional Service**

---

Internal grant review committee. Department of Psychiatry, Stony Brook University. 2013 – present.

Psychiatry Residents Research Education Committee. 2010 – present.

Consulting Editor. Journal of Abnormal Psychology. 2008 – present.

Medical School Faculty Senate. Stony Brook University. 2007 - present.

Review committee for Seed Grants for Survey Research. Stony Brook University. 2010 – present.

Graduate student representative to faculty meetings. University of Iowa. 2004 – 2005.

Representative to Graduate Student Senate. University of Iowa. 2003 – 2004.

Graduate Senator, University of Iowa Student Government. University of Iowa. 2002 – 2003.

## **Supervision of Dissertations and Postdoctoral Fellows**

---

Supervised Adam Gonzalez, Ph.D., in research on mental-physical comorbidity and randomized clinical trials of psychosocial interventions for these conditions in responders to World Trade Center disaster. Department of Psychiatry, Stony Brook University. 4/2012 – 7/2013.

Supervised Greg Perlman, Ph.D., in research on risk factors and trajectories of mental disorders in adolescence. Department of Psychiatry, Stony Brook University. 5/2012 – present.

Supervised Doreen Olvet, Ph.D., in research on neural processes underling post-traumatic stress disorder in responders to World Trade Center disaster. Department of Psychiatry, Stony Brook University. 11/2012 – present.

Supervised Prerona Mukherjee, Ph.D., in research on neural markers of psychotic disorders. Department of Psychiatry, Stony Brook University. 8/2013 – present.

Dissertation committee of Kim, D. J. Department of Psychology, Stony Brook University. 2013.

Dissertation committee of Leong, S. H. *Partial correlation network analysis for mixed data*. Department of Applied Mathematics and Statistics, Stony Brook University. 2012.

Dissertation committee of Glenn, C. R. *The functions of nonsuicidal self-injury in an adolescent clinical sample: Frequency, structure, and psychological correlates*. Department of Psychology, Stony Brook University. 2011.

Dissertation committee of Olino, T. M. *Associations between parental psychopathology and personality and offspring temperament: Implications for the conceptualization of temperament*. Department of Psychology, Stony Brook University. 2007.

## Membership

---

Society for Research in Psychopathology. 2010 – present.

American Psychopathological Associations. 2008 – present.

Association for Behavioral and Cognitive Therapies. 2002 – 2006.

## Ad Hoc Reviewer

---

Archives of General Psychiatry
