Accessing & Displaying *Grant's Anatomy Lab*

Creating an account on thePoint

- Go to: **https://thepoint.lww.com/gateway**

- Click on "NEW USER" (green button toward the upper right).

- Enter your individual access code (purchased through RedShelf).

- Create your account and set your password.

- Click the "Launch" link to view the welcome page.

  (Enter the User Name and Password that you created if necessary.)

- Bookmark the direct URL for future use: **https://www.grantsanatomylab.com**

  (Use your User Name and Password from thePoint to gain direct access.)

Entering the application for the first time

- Go to: **https://www.grantsanatomylab.com** (Should be bookmarked.)

- The first time you log in to the application, you'll be asked to join a class.

  Enter your class code: **CL186**

- Once you join the class, click the "LAUNCH CLASS" button at the bottom of the

  screen to access the content.

Mirroring iPads to video monitors in the laboratory

- Open the Solstice app on the iPad that you're using.

- Select the display that you wish to use among those discovered by the Solstice

  app. (Or directly enter the IP address of that display.)

- Enter the four-digit key displayed on the screen.

- Click the "Mirror Screen" button.

- To enable mirroring, swipe down from the top-right of the iPad screen to open

  the Control Center and select the "Screen Mirroring" option.

- Verify the identity of the display that you wish to use.

- Re-enter the four-digit key on the screen.

- *AND **PLEASE**...Upon completing your dissections: (1) disconnect the iPad from the*

  monitor that you're using, and (2) return the iPad that you're using to the

  charging station (making sure to connect the power cable).
