The Department of Medicine is offering a scholarship award for qualifying 4th year Stony Brook medical students. The SOM Dean's Office and the Department of Medicine will each contribute up to \$20K toward the award. The Department of Medicine will select up to two qualified candidates each year. If both candidates choose to match at Stony Brook, the award will be split evenly between the two selected candidates. If only one of the selected candidates chooses to match at Stony Brook, that candidate will receive the full award.

The awardee(s) is eligible for the award contingent upon matching and matriculating in the Stony Brook Medicine Residency Categorical or Primary Care Programs. Special consideration is given to applicants who express an interest in Primary Care Medicine. Applicants should apply to any residency programs they wish to, and are not obligated to continue their residency training at Stony Brook.

To apply, write a brief statement (250 words or less) expressing why you are interested in pursuing your residency at Stony Brook. The statement should demonstrate how your experience as a medical student at Stony Brook is relevant and why you feel that furthering your education at Stony Brook would be advantageous to you. Additionally, please ask a faculty member to submit on your behalf a brief statement (250 words or less) indicating why he/she feels you are a worthy candidate for the scholarship. The statement should be emailed directly to: linda.colosi@stonybrookmedicine.edu with the subject line Medicine Scholars Program no later than **January 11, 2019**. If you have any questions, please email Linda Colosi at the above email address.

Your application and statement **MUST** be received in the Medicine Education Office by **January 11, 2019** in order to be considered. Email the documents to: linda.colosi@stonybrookmedicine.edu with the subject line Medicine Scholars Program.
