

Curriculum Vitae

Name: Thomas Preston, PhD, ABPP/CN

Office Address and Telephone: Neuropsychology Service
Stony Brook University Hospital
179 Belle Meade Road, Suite 3
Stony Brook, NY 11794-8121
631-444-8053 (Voice)
631-444-1975 (Fax)
Thomas.preston@stonybrookmedicine.edu

Higher Education

Degree	Institution
PhD, Clinical Psychology	Vanderbilt University
MS, Clinical Psychology	Vanderbilt University
BA, Psychology (Honors)	University of Michigan

Licensure

Dates	State of Licensure
April 1992 - December 1994	Ontario, Canada
February 1994 - Present	New York - License Number 012040

Board Certification

Diplomate, American Board of Professional Psychology/
American Academy of Clinical Neuropsychology

Professional/Scientific Society Membership

Dates	Organization
1993 - Present	American Psychological Association
1993 - Present	International Neuropsychological Society
2003 - Present	American Academy of Clinical Neuropsychology
2012 - Present	New York State Association for Neuropsychology

Clinical & Research Experience

Dates	Position	Institution
12/93 - Present	Clinical Assistant Professor	Department of Neurology, SUNY – Stony Brook
6/05 – Present	Director, Neuropsychology Service	Stony Brook University Hospital
10/96 – 6/05	Clinical Neuropsychologist; Coordinator, Pediatric Neuropsychology Service	St. Charles Hospital & Rehabilitation Center
9/91 – 11/93	Neuropsychologist	Children’s Hospital of Western Ontario
	Adjunct Assistant Professor	University of Western Ontario
9/90 – 9/91	Postdoctoral Fellow, Clinical Neuropsychology	University of Rochester Medical Center
7/87 – 9/90	Staff Therapist	Mid-Fairfield Child Guidance Center
7/86 – 7/87	Predoctoral Intern, Clinical Psychology	Yale Child Study Center
7/85 – 7/86	Graduate Fellow	John F. Kennedy Center, Vanderbilt University
	Psychology Trainee	Child Psychiatry, Vanderbilt University
7/85 – 7/85	Psychological Examiner	Adult Psychiatry, Vanderbilt University
9/83 – 9/84	Psychology Trainee	Luton CMHC
9/81 – 9/83	Graduate Assistant	Vanderbilt Institute for Public Policy Studies
9/80 – 9/81	Research Associate	National Policy Studies, American Psychol Assn
6/78 – 9/80	Research Assistant	ISR, University of Michigan

Published Papers

1. Weisbrot D, Charvet L, Serafin D, Milazzo M, **Preston T**, Cleary R, Moadel T, Seibert M, Belman A, Krupp L (2014) Psychiatric diagnoses and cognitive impairment in pediatric multiple sclerosis. *Multiple Sclerosis*, 20, 588-593.
2. Julian L, Serafin D, Charvet L, Ackerson J, Benedict R, Braaten E, Brown T, O'Donnell E, Parrish J, **Preston T**, Zaccariello M, Belman A, Chitnis T, Gorman M, Ness J, Patterson M, Rodriguez M, Waubant E, Weinstock-Guttman B, Yeh A, Krupp LB; for the Network of Pediatric MS Centers of Excellence. (2013) Cognitive Impairment Occurs in Children and Adolescents With Multiple Sclerosis: Results From a United States Network. *Journal of Child Neurology*, 28, 102-107.
3. Osipoff JN, Dixon D, Wilson TA, & **Preston T**. (2012) Prospective memory and glycemic control in children with type 1 diabetes mellitus: a cross-sectional study. *International Journal of Pediatric Endocrinology*, 29, 1-7.
4. MacAllister WS, Christodoulou C, Milazzo CM, **Preston T**, Serafin D, Krupp LK, Harder L (2012). Pediatric Multiple Sclerosis: What Do We Know and Where Are We Headed? *Child Neuropsychology*, 19. 1-22.
5. MacAllister WS, Christodoulou C, Troxell R, Milazzo M, Block P, **Preston, T**, Bender HA, Belman A, Krupp LB (2009). Fatigue and Quality of Life in Pediatric Multiple Sclerosis. *Multiple Sclerosis*, 15(12), 1502-1508.
6. Aijaz NJ, Flaherty EM, **Preston T**, Storch S, Lane A, & Wilson T (2006). Neurocognitive Function in children with Compensated Hypothyroidism: lack of short term effects on or off thyroxin. *BMC Endocrine Disorders*, 6, 2.
7. MacAllister WS, Krupp LB, Belman A, Milazzo M, Weisbrot D, Christodoulou C, **Preston T**, & Cianciulli C. (2005) Cognitive Functioning in Pediatric Multiple Sclerosis. *Neurology*. Apr 26;64(8):1422-5

Book Chapters

1. Belman AL & **Preston T** (2009) Lyme Disease. Chapter 24 in Nass R & Frank Y, eds., **Cognitive and Behavioral Abnormalities of Pediatric Diseases**, pp 309-318. NY: Oxford University Press.
2. Belman AL, **Preston T** & Milazzo M. HIV and AIDS. Chapter 44 in CG Goetz and EJ Pappert, eds, **Textbook of Clinical Neurology**. New York: Saunders/Harcourt Brace, 1998.

3. Calev A, **Preston T**, Samuel S & Gordon G. Clinical neuropsychological assessment of psychiatric disorders. Chapter 1 in A Calev, ed, **Neuropsychological Functions in Psychiatric Disorders**. Washington, DC: American Psychiatric Press, 1998.

Abstracts / Presentations

1. **Preston T**, Lebowitz BK, Roseman E, Salerni E, Coffaro N & Trovato A (2014) Stability of Academic Testing with Concurrent Administration of a Prospective Memory Task. Presented at the 12th Conference of the American Academy of Clinical Neuropsychology, New York.
2. **Preston T**, Roseman E, Lebowitz BK, Abuso S, & Salerni E (2014) Comparison of Two Clinical Measures of Prospective Memory in Children and Adolescents. Presented at the 12th Conference of the American Academy of Clinical Neuropsychology, New York.
3. **Preston T**, Lebowitz BK, Iyer A, Preston GT (2012) Neurocognitive correlates of Prospective Memory in Clinically Referred Children. Presented at the 40th Conference of the International Neuropsychological Society, Montreal.
4. **Preston T**, Iyer A, Lebowitz BK, Preston GT (2012) Psychosocial and Behavioral Correlates of Prospective Memory in Clinically Referred Children. Presented at the 40th Conference of the International Neuropsychological Society, Montreal.
5. **Preston T**, Eisenberg P: Prospective Memory in Clinically Referred and Nonreferred Children. Boston, MA: Presented at 39th Annual Meeting of the International Neuropsychological Society; 2011.
6. MacAllister, W.S., Cianciulli, C., Krupp, L.B., Milazzo, M., Christodoulou, C., Belman, A. L., Scherl, W., **Preston, T.**, Melville, B. & Morgan, T. (2004, February). Cognition and clinical factors in early-onset multiple sclerosis. Presented at the annual meeting of the International Neuropsychological Society, Baltimore, Maryland.
7. MacAllister, W.S., Cianciulli, C., Krupp, L.B., Milazzo, M., Belman, A.L., Christodoulou, C., Scherl, W., **Preston, T.**, Melville, P., Morgan, T. (2003, September). Memory Impairment in Early-Onset Multiple Sclerosis. Presented at the annual meeting of the National Academy of Neuropsychology, Dallas, TX. *Archives of Clinical Neuropsychology*, 18, 727.
8. Belman, A., Krupp, L., Cianciulli, C., Milazzo, M., **Preston, T.**, Christodoulou, C., Morgan, T., MacAllister, W., Novak, G., Mattis, P., Blitz, K., Wilson, B., Panasci, D., Banwell, B., Anderson, P., Weinstock-Guttman, B., Benedict, R., Rommohan, K., Lynn, D. (2002). Preliminary report from the pediatric multiple sclerosis study group. Presented at Child Neurology Society Meeting, Washington, DC. *Annals of Neurology*, 2002, 52: Suppl.

9. Cianciulli C, Krupp L, Belman A, **Preston T**, Christodoulou C, Morgan T, Milazzo M, Mattis P, Blitz K, Wilson B, Novak, G (2002) Neuropsychological functioning in adolescents with MS: preliminary findings. **Journal of the International Neuropsychological Society, 8**, 256 (Presented at the 30th Annual International Neuropsychological Society Conference, 2/02).
10. Gabis L, Belman A, **Preston T**, Milazzo M, Cianciulli C, Luongo M, Nachman S, Huang W (2001). Clinical and imaging study of HIV-1 infected school aged children on HAART therapy.
11. **Annals of Neurology, 45**, 854 (Presented at the 30th Meeting of the Child Neurology Society, Chicago, IL, 9/01).
12. Belman AL, Reynolds L, **Preston T**, Postels D, Grimson R, & Coyle PK (1997). Cerebrospinal fluid findings in children with Lyme disease-associated facial palsy. **Archives of Pediatric and Adolescent Medicine, 151**, 1224-1228.
13. **Preston T** & Belman AL (1997). CSF and serologic correlates of neurocognitive and affective deficits in pediatric "post-Lyme" syndrome. **Journal of Neuropsychiatry and Clinical Neurosciences, 9, 1, 138**. (Presented at the annual meeting of the American Neuropsychiatric Association, February 1997)
14. **Preston T**, DeMarco R, Taylor FL, Milazzo MC, Nachman S, & Belman AL (1996). Visuoconstructive and Motor Skills in Children with Vertically Transmitted HIV-1 Infection. **Annals of Neurology, 40, 2, 309** (Presentation at the 25th Annual Meeting of the Child Neurology Society, Minneapolis, Minnesota, September 26-28, 1996).
15. Bicknese A, **Preston T**, Ettinger AB (1996). Epileptic aphasia (Landau-Kleffner Syndrome) secondary to progressive encephalitis, **Annals of Neurology, 40, 2, 306** (Presentation at the 25th Annual Meeting of the Child Neurology Society, Minneapolis, Minnesota, September 26-28, 1996).
16. **Preston T**, DeMarco R, Taylor FL, Milazzo MC, Nachman S, & Belman AL (1996). Neurocognitive Function in Children with Vertically Transmitted HIV-1 Infection. **Journal of Neurovirology, 1996, 2, 46** (Paper presented at the Conference on the Neuroscience of HIV Infection, Paris, France, March 6-9, 1996).
17. Belman AL, **Preston T**, Milazzo MC. HIV-1 associated CNS disease syndromes in infants and children: A proposal for "working: research case definitions according to age. **Journal of Neuro-AIDS** (Presentation at the Child Neurology Society Meeting, October 1994).
18. Banwell B, Reid RH, Gillett JMR, **Preston T**, Brown T. Technetium-99m-HMPAO SPECT, CT, and neurological evaluation in paediatric brain injury. **Annals of Neurology, 1993, 34, 3**. (Presentation at the Child Neurology Society Meeting, Nw York, NY, September 1993).

19. Gaudino E, Geisler MG, **Preston T**, Coyle PK, Masur DM & Krupp LB.
Neuropsychiatric differences between chronic Lyme disease and chronic fatigue syndrome. **Neurology** **1995;45:A166**.
