

Exit Survey/Interview Process

The Office of Faculty Affairs would like to understand reasons why faculty choose to leave our institution. If there are issues that we can address within the institution, we would like to know more about them and work on improving these for the future, and your input is very valuable in this process.

The Exit Survey provides you with the opportunity to share information about your employment at SBUMC and your decisions to leave your current position. Your answers and comments will not become part of your permanent personnel record and will in no way affect your opportunity for future positions with SUNY Stony Brook. This information is CONFIDENTIAL. Your feedback is very helpful. An email link to the Exit Survey will be automatically generated once we receive notification from personnel that you are leaving sBUMC.

Faculty also have the option of meeting with a member of the Exit Interview Committee in lieu of completing the on-line Faculty Exit Survey. This information will also be CONFIDENTIAL.

Members of the Committee are:

Walter Backus
Latha Chandran
Christina Law
Cristina Leske
Elizabeth McCoy
Allison McLarty
Karen Wilk
Peter Williams
