

Stony Brook **Medicine**

Department of Anesthesiology

Dr. Peter S. A. Glass

2022 Academic Research Evening

Stony Brook MART Building: Tuesday, May 24, 2022

Call for Abstracts

Abstract Deadline: April 15, 2022 by 5:00 pm

Our annual Academic Research Evening offers all of our Department members the opportunity to present their current research. Abstract submission is open to all; Residents, Students, CRNA, Post-doctoral and Faculty.

A limited number of abstracts will be accepted for oral presentations.

All types of research are welcome.

- Original Research
- Case Reports
- Clinical Concepts & Commentaries

Abstracts will **ONLY** be accepted if they adhere to the following guidelines:

- 1 page maximum including all content, e.g. references, figures, tables, etc.
- 1 inch margins at top, bottom, left, and right sides. Minimum font size 11.
- Structured to include: title, authors, designate corresponding author, affiliations, Background, Methods, Results, Conclusions, References.
- Abstracts presented at other meetings **CAN** be submitted, **HOWEVER**, abstracts submitted to previous Academic Evenings **CANNOT** be submitted.

We look forward to hearing from you!!
