### **Responsible Department/Division/Committee:**

Graduate Medical Education Committee

### **Purpose:**

To establish a policy that addresses oversight for Graduate Medical Education (GME) programs in all phases of educational experiments and innovations that deviate from Institutional, Common and specialty/subspecialty-specific Program Requirements.

### **Definitions:**

None

### **Procedures:**

GME programs that are involved with educational experiments and innovations must:

1. obtain approval by the GMEC prior to submission to the ACGME and/or the respective Review Committee;
2. adhere to procedures for "Approving Proposals for Experimentation or Innovative Projects" in *ACGME Policies and Procedures*;
3. monitor the quality of education provided to residents for the duration of the project;
4. obtain IRB approval, when appropriate
